Testimonials from Challenge owners:

Anabel León
BAYER, Germany

"We have identified disruptive technologies that could help us in our challenges."

Robert Günter
HENKEL, Germany

"The preparation of the event was very good. The pre-screening of the participants done by the organizers is key in this event. It is a win-win situation for corporates, startups and investors."

Eeswaran Navartham
01 VENTURES, Netherlands

"The support I was given was very good."
"We will continue the discussion with some quite promising companies that we might go on and invest in."
